

Airman Knowledge Test Center Listing Plus 500 Free US Military Manuals and Documents

Airman Knowledge Test Center

The Airman Knowledge Test Center (AKTC) provides airmen with the opportunity to take practice tests for promotion, upgrade training, and other career-related purposes. The AKTC also offers a variety of test preparation materials, including study guides, flashcards, and practice questions.

FAA / DANTES: Airman Knowledge Test Center Listing, Plus 500 free US military manuals and US Army field manuals when you sample this book by Dennis Kelsall

To access the AKTC, airmen must first create an account. Once an account has been created, airmen can log in and begin taking practice tests. The AKTC offers a variety of practice tests, including tests for the following:

- Promotion
- Upgrade training

- Air Force Specialty Code (AFSC) changes
- Professional military education (PME)

The AKTC also offers a number of test preparation materials, including:

- Study guides
- Flashcards
- Practice questions

These materials can be accessed online or downloaded for offline use.

Free US Military Manuals and Documents

In addition to the AKTC, there are a number of other resources available to airmen who are preparing for tests. These resources include websites, books, and mobile apps.

One of the best websites for finding free US military manuals and documents is the US Army Publishing Directorate (ADP). The ADP provides access to a wide range of manuals and documents, including:

- Field manuals
- Technical manuals
- Training circulars
- Regulations

The ADP also provides access to a number of other resources, such as:

- A search engine
- A glossary of terms
- A list of frequently asked questions

Another great website for finding free US military manuals and documents is the Air University Library. The Air University Library provides access to a wide range of manuals and documents, including:

- Books
- Journals
- Articles
- Reports

The Air University Library also provides access to a number of other resources, such as:

- A search engine
- A list of databases
- A list of links to other websites

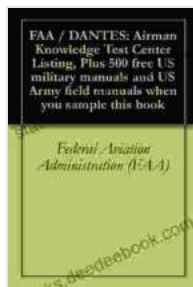

Finally, there are a number of mobile apps available that can help airmen prepare for tests. These apps typically provide access to study guides, flashcards, and practice questions. Some of the most popular mobile apps for test preparation include:

- Quizlet

- Flashcards Deluxe
- StudyBlue
- Cram

These apps can be used to study offline, which can be helpful for airmen who are deployed or who do not have access to a computer.

The Airman Knowledge Test Center (AKTC) is a valuable resource for airmen who are preparing for tests. The AKTC provides access to a variety of practice tests and test preparation materials. In addition to the AKTC, there are a number of other resources available to airmen who are preparing for tests. These resources include websites, books, and mobile apps.
