The Dallas Cowboys are entering a new era with Dak Prescott and Ezekiel Elliott leading the charge. After years of disappointment, the Cowboys are hoping that these two young stars can finally bring the team back to glory.

Dak Prescott: The Future of the Cowboys

Dak Prescott is a rising star in the NFL. He was drafted by the Cowboys in the fourth round of the 2016 NFL Draft, and he quickly became the team's starting quarterback. In his first season, Prescott led the Cowboys to a 13-3 record and a playoff berth. He was also named the NFL Offensive Rookie of the Year.

Prescott is a talented quarterback with a strong arm and good mobility. He is also a good leader and has a knack for making big plays. The Cowboys are hoping that Prescott can continue to develop and become one of the best quarterbacks in the NFL.

Ezekiel Elliott: The Cowboys' Workhorse

Ezekiel Elliott is one of the best running backs in the NFL. He was drafted by the Cowboys in the first round of the 2016 NFL Draft, and he quickly became one of the most productive running backs in the league. In his first season, Elliott rushed for 1,631 yards and 15 touchdowns. He was also named the NFL Offensive Rookie of the Year.

Elliott is a powerful runner with great vision and speed. He is also a good receiver out of the backfield. The Cowboys are hoping that Elliott can continue to be a dominant force in the NFL and help lead the team to a Super Bowl.

The New Era of Cowboys Football

The Cowboys are hoping that Dak Prescott and Ezekiel Elliott can lead them to a new era of success. The team has not won a Super Bowl since 1995, and they are hungry to get back to the top. Prescott and Elliott are two of the most talented young players in the NFL, and they have the potential to be one of the best quarterback-running back duos in the league.

The Cowboys have a lot of other young talent on their roster, including wide receiver Amari Cooper and cornerback Trevon Diggs. If the Cowboys can stay healthy and continue to develop, they have the potential to be a contender in the NFC East for years to come.

The Dallas Cowboys are entering a new era with Dak Prescott and Ezekiel Elliott leading the charge. The team is hoping that these two young stars can finally bring the team back to glory. The Cowboys have a lot of potential, but they will need to stay healthy and continue to develop if they want to be a contender in the NFL.
