

# Detailed Guide With All Secrets Of The New Social Network: How To Use Clubhouse

Clubhouse is a new social network that has been gaining a lot of popularity lately. It's an audio-based platform where users can join or create rooms to talk about any topic they want. There are no written posts or videos on Clubhouse, just live audio conversations.

Clubhouse is still in its early stages of development, but it has already attracted a lot of attention from users and investors alike. The app has been downloaded more than 10 million times and has been valued at over \$1 billion.

To use Clubhouse, you need to first download the app from the App Store or Google Play. Once you have the app, you can create an account using your phone number or email address.
