Dennis Kelsall's *Inferno* is a captivating and thought-provoking novel that explores the depths of human nature. Set in a dystopian future, the novel follows the journey of a young woman named Anya as she navigates a world ravaged by war and environmental degradation.

Anya is a strong and resourceful young woman, but she is also deeply scarred by the trauma she has witnessed. She has seen her family killed, her home destroyed, and her friends torn apart by the war. As a result, she has become withdrawn and distrustful of others.

One day, Anya is forced to flee her home after it is attacked by a group of raiders. She sets out on a dangerous journey across the war-torn landscape, hoping to find a safe haven. Along the way, she meets a variety

of people, some who are kind and helpful, and others who are cruel and predatory.

As Anya's journey progresses, she begins to learn more about herself and the world around her. She comes to realize that the war is not just a battle between good and evil, but a complex conflict that has no easy solutions. She also learns that even in the darkest of times, there is still hope for redemption.

Inferno is a gripping and thought-provoking novel that will stay with you long after you finish reading it. Kelsall's writing is both beautiful and unflinching, and he does not shy away from the harsh realities of war and its aftermath.
