In the aftermath of the Holocaust, a group of 15 young survivors found hope and healing aboard the Exodus, a ship that carried them to freedom after the horrors of Nazi concentration camps.

Their stories are told in a new book, "On Board the Exodus: A Holocaust Remembrance for Young Readers," by Deborah Heiligman. The book is a powerful and moving account of the resilience and strength of these young people.

Heiligman spent years interviewing the survivors, and her book is based on their firsthand accounts. She tells their stories with sensitivity and

compassion, and she does not shy away from the difficult details of their experiences.

The survivors' stories are heartbreaking, but they are also inspiring. They show the power of hope and the indomitable spirit of the human soul.

Heiligman's book is an important contribution to Holocaust literature. It is a valuable resource for educators and parents who want to teach children about the Holocaust.

But it is also a book that can be enjoyed by readers of all ages. It is a story of hope, courage, and the enduring power of the human spirit.

The Exodus: A Ship of Hope

The Exodus was a ship that was chartered by the Jewish Agency for Palestine to transport Holocaust survivors to the British Mandate of Palestine. The ship left France in July 1947, and it arrived in Haifa, Palestine, in August 1947.

The ship was carrying over 4,500 passengers, most of whom were Holocaust survivors. The passengers were crammed into the ship's hold, and they lived in squalid conditions.

Despite the difficult conditions, the passengers were filled with hope. They were finally on their way to freedom, and they were eager to start new lives.

However, the British government refused to allow the Exodus to land in Palestine. The ship was intercepted by British warships, and the passengers were taken to Cyprus.

The passengers were held in detention camps in Cyprus for months. During this time, they were subjected to harsh treatment by the British authorities.

Finally, in February 1948, the British government agreed to allow the passengers of the Exodus to enter Palestine. The passengers were overjoyed, and they finally arrived in Haifa in March 1948.

The Survivors' Stories

The survivors of the Exodus have gone on to live full and productive lives. They have raised families, built careers, and contributed to their communities.

But they have never forgotten their experiences during the Holocaust. They have shared their stories with their children and grandchildren, and they have worked to ensure that the Holocaust is never forgotten.

The survivors' stories are a reminder of the horrors of the Holocaust. They are also a reminder of the power of hope and the indomitable spirit of the human soul.
