Visual puns are a fun and clever way to play with words and images. They can be simple or complex, and they often rely on a clever use of perspective, scale, or context to create a humorous effect. Visual puns can be found in all sorts of places, from advertising to art to everyday objects. They can be a great way to get a laugh, or to simply make you see the world in a new way.

Here is a collection of some of our favorite visual puns. We hope they make you smile!
