The book is divided into three parts. Part 1, "The Basics of Facilitation," covers the foundational principles of facilitation, including the role of the facilitator, the different types of facilitation, and the skills and qualities of an effective facilitator.

Part 2, "Designing and Implementing Facilitation," provides a step-by-step guide to designing and implementing facilitation sessions. Justice covers

everything from setting objectives and planning activities to managing group dynamics and handling difficult participants.

Part 3, "Evaluating Facilitation," provides guidance on how to evaluate the effectiveness of facilitation sessions. Justice discusses different evaluation methods and provides tips on how to use evaluation results to improve facilitation practice.

The Facilitator Fieldbook is an essential resource for anyone who wants to learn how to facilitate effectively. The book is packed with practical tips and advice from an experienced facilitator, and it is written in a clear and engaging style.
