The dial is a masterpiece in its own right, adorned with a hand-painted dragon motif. Super-LumiNova accents on the hands and hour markers ensure legibility even in low-light conditions.

The Vainqueur The Dragon III World Tour Edition is equipped with a world time complication, allowing the wearer to simultaneously track the time in 24 different time zones. The world time function is displayed on the outer ring of the dial, with each time zone represented by a major city.
